

Stars & Stripes All About Wheels Camp Spotlight

July 30-Aug. 3, 2012 8:30-12:00pm

Day \$29 Week \$99

The wheels keep on turning at Stars & Stripes as we roll around on our bikes, scooters and big wheels. This popular camp will help your child gain speed and control as they challenge themselves by navigating obstacle courses, doing a little free styling, and playing games. Races and relays provide the opportunity for your child to ride like a champion. Participants are required to bring their own equipment, including wheels and protective gear. Bring a bathing suit and towel for water activities on Friday. In case of inclement weather, alternative activities will be coordinated at Stars & Stripes.

Monday: Wheel Safety and Free Style Campers will learn about how to be safe when riding our wheels. Our rollin' fun will be outside in a safe, designated area as we practice our skills. Our campers will get to design their own course using ropes, noodles, mats, chalk, cones and much more. We are also going to have the "Let's Ride Challenge" and earn points and a surprise for our teams. Get ready to make some rockin' tie dye shirts so that our fellow campers can see us cruising around Stars & Stripes!

Tuesday: Obstacle Courses Oh yeah, baby! Bring on the extreme sport in all of us. Today campers will set up a crazy cool obstacle course of fun, fun, and more fun!! We will be cruising, zigzagging through the obstacles and competing in the "Can Do" course of fun. From making license plates to playing some awesome games the fun never ends at this crazy cool camp.

Wednesday: Race Time! Today at camp we are going to learn all about racing our wheels and we are going to be setting up our very own race track. We will get to practice many different racing strategies as we zoom around the "Stars & Stripes Speedway". We will also get to decorate our very own horns for our wheels. To top the day off we will have our very own bike wash. We may do a little splashing and spraying too...oh what fun!

Thursday: Show Day Campers will get to showcase their skills in a mini performance for their fellow campers. They will have time to create their own routine by themselves, with a partner, or a group. Have you ever gone through a wavy obstacle course? Or did a bicycle balloon pop? Have you ever played check out my ride? If no, then get ready to join us for a wavy cool good time.

Friday: Parade! What is more exciting than going to a parade? How about being the star of the parade? Campers will get to jazz up their wheels with an assortment of crazy cool decorations. We will make signs promoting our parade and invite everyone we can find. When it is time for the parade, we will ride in style and toss out candy to our audience. To bring an end to our amazing week we will be going on our inflatable water park and engaging in some super cool water activities. Make sure to bring your suit and towel for a rockin' good time!!
