Let your child's artistic imagination soar! At Arts & Crafts Camp your artist is sure to amaze you with their wondrous artistic creations. We have designed this camp to not only create fine art, but to be an educational experience as well. Our itinerary is sure to please even our quietest artists. We will learn different drawing techniques, use sand art, make sand jewelry, design picture frames, do tie-dye, paint sun catchers, and use many other forms of art media. The campers will be designing and creating different projects every day, so come all five of the days and let them show off their artistic side. Bring a bathing suit & towel for water activities on Friday. We try very hard to stay as clean as possible, but each day we will be working with a variety of materials that could stain our clothes. We ask that you please wear clothes that are allowed to get messy.

MONDAY - Peace & Love! Who would have known that the 60's would come back in full force in 2012? We have some super groovy crafts planned for each and every camper. We are going to be making jewelry, peace and love crafts, and of course tie dying. Get ready to paint, draw, and explore your way to fun.

TUESDAY - What Holiday is it? Did you ever think about how many cool crafts you can make based on each holiday? Well, do we have some awesome crafts in store for you. We will be making crafts for: Valentine's Day, Spring, Summer, Halloween, Thanksgiving and Christmas all in one day. Who knew you could accomplish so much in just 3.5 hours. Get ready to jingle your way through 2011 with some festive, fun crafts.

WEDNESDAY - Imagination & Creativity What have you always wanted to draw, make, create, or discover? Imagination and Creativity allows each camper to use their own creative ideas in each and every project. Today's crafts will allow each camper to feel like they are super stars. We will be using a variety of materials to create a masterpiece of imagination and discovery. You won't believe all of the cool tools we will use to help us discover the amazing world of art and imagination. Join in today for a fun filled day of smiles, art, and imagination.

THURSDAY - I Love to Paint! What Arts & Crafts Camp would be complete without a lot of paint? That's right, we are going to paint and explore the wonderful world of color. What does yellow and pink make, and does yellow and blue really make green? From painting objects to the abstract, there is something for everyone. Each camper is sure to take home some amazing crafts and pictures. Get ready to roll up your sleeves and dive into the world of color!!
