Aug. 6-10 8:30-12:00pm

July 2-6 8:30-12:00pm
Aug.27-31 8:30-12:00pm

Monday: How does this car Work?

At Power Wheel Camp each camper will get paired up with a friend to help take care of their car for the week. They will be in charge of cleaning their car, caring for their car and learning all about how a car functions. Where is the engine? What is a car frame? And why do we need a windshield anyway? There is so much learn about cars and what better way to learn then how to drive then on the Stars & Stripes driving course. We will earn our learners permit and understand the rules of the road. You are about to enter the coolest car driving school on the planet. Before it's too late, speed in and sign up today.

Tuesday: Signs on the Road?

Did you know that to drive a car in Michigan there are a lot of important rules that we need to know? Did you know that signs, signals, and sounds all help us in our driving adventures? Campers are going to learn about so many of the signs that we see on the road everyday and what they mean. We will also learn about some of those unfamiliar ones as well. Our Obstacle course will have many different signs that we have to obey or we risk getting a ticket by the Stars & Stripes police. We will be having a driving course test and upon successful completion each camper will receive and their official Camp Kids drivers license.

Wednesday: How's my Driving?

As our courses get a little trickier, our signs are changing, are there are so many new activities coming to camp. What better way to start out camp then to hear about the rules of the road from someone who knows those rules the best: Policemen and women work hard each and every day to help keep all of us safe. Safety on the road is important and we are going to learn different ways to keep ourselves and our friend's safe on the Stars & Stripes driving course. Get ready to learn, drive, and explore when we take our cars out for a little off roading.

Thursday: NASCAR Alert!!

There are fast cars and then there are FAST cars!! Today at Power Wheels Camp we are going to learn all about FAST cars and we are going to be setting up our very own NASCAR race track. Trophies and awards will be awarded to all of our participants. Car drivers will also have the opportunity to make a hot wheels track along with their power wheels track and speed away on a race car adventure. We will create our own track that you can take home and your very own hot wheels car too.

Friday NASCAR and Water Fun!!

What better way to end a fun week at camp them to ride our power wheels around the track and take a dip in the water. We will wash our cars, have a balloon car race, and jump in the water for a rockin good time. Wow cars, courses, tracks, fun, water, and balloons life is good and camp is great. We will be creating our very own race car camp shirts. Let's roll!!
