

Stars & Stripes Wild Camping Adventures Camp Spotlight

June 18-22, 2012 8:30-12:00pm
Aug. 13-17, 2012 1:00-4:30pm

Day \$29 Week \$119

Grab the marshmallows, chocolate and graham crackers, for campers will be making s'mores at the campfire. Campers will learn how to set-up a tent, build a fire, identify important supplies for camping, and have a real camp out. Where should we place our tent? What are the best foods to cook on the campfire? There will be loads of camp crafts perfect for the great outdoors. Come rain or shine we will have a plethora of projects for our campers. What a great way to explore the great outdoors! Bring a bathing suit and towel for water activities on Friday.

Monday: Let's Go Camping!

Today campers will gather up everything we need to spend a fun and exciting week in the wilderness. We will be sure to pack up everything from the tent, a first aid kit, yummy camp foods, games, and much more. We will set out to find the perfect spot to pitch our tent and set up camp. As a team we will go through the fundamentals of preparing the area, reading directions, sorting tent poles and pitching the tent. Together we will work as a team to establish our "residence" for the remainder of the week. Here we go!

Tuesday: Camping Games Galore

We are going to have another fun filled day hanging out at our campsite playing all sorts of games. We will play Capture the Flag, board games and card games. We will even make tie-dye t-shirts. Campers will learn how to play some of the greatest camping games like corn hole, ladder golf and lawn darts. Today is sure to be an exciting yet relaxing day in the great outdoors.

Wednesday: Nature Exploration Day

Campers will find their way through the great outdoors! We will begin with a nature hike and marvel at the beauty of the wilderness. We will also learn about how to protect mother nature and help keep our world clean and beautiful. We will also learn about snipes and set out to hunt and capture them. Campers will be awarded prizes during many of our outdoor nature activities for all of their hard, much appreciated work.

Thursday: Campfire

Today is all about the campfire! We will learn about campfire safety and how to build, maintain it and put out a fire. As a group we will build our campfire to cook our snack over. Once we are able to start our adult assisted fire, we will enjoy the classic campfire treat: S'MORES!! We will also learn how to safely put out the fire. This is a wonderful learning experience filled with fun!

Friday: Break it Down!!

Our campers will learn what it takes to safely and effectively break down our camp. We will learn how to leave the camp without disturbing the wildlife. After we work up a sweat doing that, we will head on over to our Water Fun Area to cool off. We will be playing many water balloon games as well as splashing around our water park.
