

# Stars & Stripes NASCAR Camp Spotlight

Aug. 20 - 24, 2012 8:30-12:00pm

(Ages 5-9yrs.)

Day \$29 Week \$129

*Nascar! Varooooom! Here come the cars of NASCAR racing down the track! They are coming your way so be filled with excitement! Think you know everything about NASCAR? Start your engine, burn some rubber and head on over to Stars & Stripes for our thrilling NASCAR Camp. Your kids will certainly get into the NASCAR racing scene and have a raring fun time as they jump into the Power Wheels and zoom around the track. Bring a bathing suit and towel for water activities on Friday.*

**Monday - NASCAR Identity** Campers will get to become any driver they want! They can pick an existing driver or create a whole new identity. First we will learn about current drivers and all the cool details that go into the graphic designs of their race cars. Then we will get to pick out our very own number, type of car we want to drive, colors of our car and who we want to sponsor us. We will get to design each of these things so that they can be placed on our race cars. Now everyone will know who we are while we are racing.

**Tuesday - NASCAR Safety** Before we drive off in our newly designed race cars we want to make sure we know the NASCAR racing rules and how to be safe while we are driving. We will learn about all the different racing flags, proper racing gear and what racecars must have before they hit the track. Then we will get some practice on the track following the racing rules.

**Wednesday - Pit Crew** What is a race car or driver without its pit crew? We will learn about the importance and responsibilities of the pit crew. Then we will each get a chance to be part of the pit crew as one of our drivers does some laps around our track. We will learn teamwork and accomplish our pit crew goals.

**Thursday - Qualifying Day** Before the big Race Day drivers must do time trials to see what order they will race the next day. Today we will get to play two roles: a driver and a race fan. We will each individually do some timed laps on the track as the rest of the drivers cheer on the driver learning good sportsmanship. We will learn our driving order for the Stars & Stripes Speedway Race on Friday.

**Friday - Race Day** Welcome race fans to the 2012 Stars & Stripes Speedway Race. Drivers will each get to race against one another. We will first get into our racing order based on our trials from Thursday. Drivers start your engines and let the race begin!
