

Employment Opportunities at Stars & Stripes Athletics

Stars & Stripes is always looking for amazing people to join our team! We are a team-oriented organization with vision and we believe in always striving to improve and be the best. To achieve this goal, we prioritize personal development at all levels from the athletes we instruct to the employees within the company. We are here to make a positive impact on the children, staff, and community!

Positions include instructors for ninja warrior, gymnastics, tumbling, basketball, football, sports conditioning, summer camps, special events and/or hosting birthday parties. Experience working with children is definitely helpful and/or experience in sports/athletics; however, we can and will train the right candidates to be amazing, knowledgeable professionals. We do have seasonal positions available (great for college students and teachers) in the summer months. Additionally, we do have positions available specifically for hosting birthday parties and special events which don't include actual instruction of athletics.
